

HERRINGBONE

OAK SERIES

HERRINGBONE

OAK SERIES

HDF (600*100.5*8mm) EIR V GROOVER WITH WAX

The **Woody Interior Herringbone Oak Series** brings timeless European elegance to modern interiors. Designed with **EIR (Embossed in Register) technology**, each plank mirrors the natural grain of real oak, delivering unmatched realism, depth, and texture. Designed with premium durability and refined aesthetics, this collection elevates any space with its distinctive herringbone pattern and superior finish. A perfect blend of craftsmanship and luxury, made for interiors that demand excellence.
