HYDROCORE+

SPC FLOOR

A woman with long blonde hair, wearing a black long-sleeved top with puffed sleeves and a black skirt, is holding a large, light-colored wood-grain SPC floor plank diagonally across her body. The plank is positioned behind the large 'SPC FLOOR' text.

The background of the entire page is a close-up, high-angle shot of several wooden flooring planks. The planks are arranged in a staggered, overlapping pattern, creating a sense of depth and texture. The wood grain is clearly visible, with varying shades of brown and tan. The lighting is soft, highlighting the natural imperfections and grain of the wood. A thin white vertical line runs down the left side of the page, separating the text from the main image.

A 3D rendering of a modern interior featuring a complex, geometric parquet floor made of various wood-grain tiles. Two teardrop-shaped tables, one orange and one blue, stand on the floor. The orange table holds a dark blue tray with a cup and saucer. The background shows a white wall and a white curtain.
